

Note From The Pastor

Hopefully everyone has had a great summer and been able to come to our summer events. Thanks t Drew for the Barbeque and Sarah and Ryan for singing for two hours. Thanks to all who made the Lutheran World Relief Spaghetti Dinner and Talent Show so much fun.

The next event will be covered dish dinner on Sunday, September 10 at 12 noon.

We certainly appreciate everyone who watches our services on Facebook but also know that we miss seeing you in person. As always, if you ever want me to bring communion to you, I would be happy to do that.

Choir meets on Wednesdays at 6pm, if you like to sing. Confirmation for 7th graders stars later in September in the Chapel at 9:45am.

Time is an interesting concept and how we use it is never quite understood. Some apparently use their time wisely, making every minute count. Others waste time, accomplishing nothing positive with it. Many spend more time on their cell phones than actually having human contact with their time.

The seventies movie, "Fast Times at Ridgemont High" was the movie when Sean Penn (Jeff Spicoli) orders pizza in Mr. Hand's classroom. When Mr. Hand makes the statement about no eating food on his time Jeff comes back saying in reality...it is their time not just Mr. Hand's time.

Mr. Hand then gives a slice of pizza to everyone in the room except for Jeff Spicolli. Mr. Hand says, "you're right, it is our time, everyone enjoy the pizza".

This is our time, well sort of. Just as everything we have is ours to enjoy so is our time. It is not without end on earth. We need to balance our time with family and friends and not be so consumed with devices that have no personality.

If you can't make it to church for whatever reason please enjoy the service on Facebook, but we do miss you and will move anyone who has taken your favorite spot in the church to get you back live and in person. pjh
